Dear Interested Parties:

Enclosed, you will find for your review the Draft Environmental Assessment (EA) for a Montana Fish, Wildlife & Parks (FWP) proposal to install a campground host site at Painted Rocks State Park located on Painted Rocks Reservoir on the West Fork of the Bitterroot River in Ravalli County. This host site would provide for a regular volunteer host presence at the park to assist with public safety and compliance issues.

To review the proposal and draft environmental assessment, go to fwp.mt.gov under "Submit Public Comments," then "State Parks," and then "Environmental Assessments." Copies of the EA are also available for public review at Region 2 FWP Headquarters in Missoula.

Comments on this draft EA must be received by FWP no later than 5:00 pm on July 5, 2012. Comments should be mailed to Loren Flynn, Travelers' Rest State Park, PO Box 995, Lolo, MT 59847 or emailed to LFlynn2@mt.gov. If you have questions, please phone Flynn at (406) 273-4253.

Sincerely,

Lee Bastian
Regional Park Manager
